

Italians in the Confederate Army

This is perhaps the earliest accumulated list of Italian residents of New Orleans. These Civil War roll calls were recorded in 1862 when New Orleans was captured by the Union Army.

As a final act of honor, the enlisted were required to report and be discharged. A roll call was done for each company but only Field & Staff and the 1st Company are dated, 2 April 1862. There are 341 men listed in the Italian Brigade. This list was compiled by the National Archives and is not the original muster rolls.
